Attendance

9-23-20

Gregori Parents/Guardians,

School attendance has a direct impact on academic achievement and social and emotional development. In order to maximize the opportunities for your scholar, punctual daily attendance is important.

In an effort to make certain that students are logging into their classes daily and on time, please help us by reviewing the attached daily schedule and ensuring scholars are logged into class at the correct time.

Although you may see your scholar on a computer, it does not necessarily mean they are logged into their classes Teams meetings or Schoology Conferences.

In addition, an effective way to support your scholar in school is to download Powerschool on your phones or devices. This will allow you see all their grades and assignments in real time. Please visit <https://www.mcs4kids.com/parents/resources/powerschool/powerschool-mobile-apps> with directions on how to download Powerschool.

Furthermore, if your scholar is unable to attend a class on time please contact the correct SLC attendance staff to explain the tardy or absence or for support.

VPA- 492-1442

Lastly, to support attendance we will make phone calls, send emails, send letters home, make home visits, and hold SART and SARB attendance meetings with parents and scholars.

At Gregori we aim to support all students to be successful and understand that these can be challenging times. If there is any support needed, please do not hesitate to contact us.

Thank you for partnering with us to support all Gregori scholars.

Kindly,
