

WAYS TO RAISE MY GRADES

ORGANIZATIONAL STRATEGIES

- Keep an organized binder with dividers
- Write homework assignments on an agenda (use a planner)
- Establish habits and routines for school and home activities
- Manage your time & prioritize your tasks

CLASSROOM STRATEGIES

- Ask teacher for help
- Make an appointment to attend your teacher's office hours if you need help with the class
- Email your teacher to see if you can turn in late or missing work
- Take notes so that you don't daydream
- Sit where you can see the board (when we return to campus)
- Be prepared (Bring your supplies to class; pencil, paper, binder, book, etc.)
- Show your teacher that you want to learn and be respectful

ATTITUDE STRATEGIES

- Write out goals and put them up in your room
- Use positive affirmations & "Never give up!"
- Use a reward system for yourself (A's = Starbucks, Social Media)

Check Powerschool Often!

Your user name is your ID and your password is the same as your computer password

WHEN ABSENT

- You or your parent report absence to school
- Call, text, or email a classmate to get home work assignments and class notes or email your teacher directly
- Clarify the due date with your teacher for the work you missed when you were absent

Log into Schoology and attend classes daily!

HOMework STRATEGIES

- Cross out assignments in planner when completed
- Write all assignments in complete sentences
- Get phone numbers or emails of classmates for each class
- Call/text classmates for help on homework or create a study group
- Make index cards to memorize terms
- Have someone test you on what you are learning
- Use online resources like www.khanacademy.org
- Attend Tutoring regularly
