

# Student Parking Permit

## Parking Rules/Regulations and Parent Consent

### Gregori High School

1. **All student vehicles must be registered with the Supervision Office in the C building. Current Gregori High School parking permit and number must be visibly displayed in the front window or on the rear view mirror during regular school hours, 7:00am – 4:00pm. This applies to visiting ROP students as well.**
2. The student must possess a valid California Driver's license and proof of insurance at all times.
3. The student and parents/guardians assume liability for damage to school property or other properties.
4. The school cannot be held responsible for damage or loss to any vehicle brought to school.
5. Vehicles are to be parked and not used during the school day, except when prior approval has been granted by the school.
6. Students must park in the designated **STUDENT PARKING AREAS** and in the spaces designated for students. This includes motorized, two-wheeled vehicles. Students/vehicles are not permitted behind the school during regular school hours.
7. Parking citations will be issued for violations of regulations by campus supervision, including failure to properly display a permit for any reason, at any time. If the permit is lost or left in a different vehicle, the student must obtain a temporary permit from the C building office as soon as they arrive on campus. Failure to use a temporary permit may result in a parking citation that will not be voided. Lost or stolen permits will be replaced at student's expense.
8. Speeding, reckless driving, or other dangerous behaviors will be managed through the Supervision Office with possible loss of permit.
9. Repeat violations may result in loss of school driving/parking privileges.
10. Loitering or trespassing after school hours may result in permit revocation. Vehicles may be towed at the owner's expense.
11. **Parking permits are a privilege and do not guarantee a reserved parking space, and may be revoked for just cause.**

**All vehicles are subject to search on school property.** By entering school property, the person driving any vehicle is deemed to consent to a complete search of the vehicle – all its compartments and contents – by school officials or law enforcement for any reason whatsoever. This notice applies to all vehicles of any type and is in force 24 hours a day. California Vehicle Code 21113 (A)

I agree to abide by the above parking rules and regulations as established for Gregori High School students who drive a motor vehicle to school. I understand that it is a privilege to have a parking permit and use of the school lot during school hours.
